and lots of boxes full
of surprises

Didi

Vini

There are friends to play
with in the

WONDERBOX

Bon Bon

Sharsha

First we will play a game with a special dice.

You can roll the dice and we will sing your name

Then, we are ready
to go inside the
Wonderbox through
a special red door.

You will get a special lantern to light the way.

The show begins when we are inside the big Wonderbox.

You can sit on a box
or move around inside
the Wonderbox.

There are many
things to explore.

You can say
YES Please or
NO Thank you.

There are magic boxes with sounds and lights inside them.

You can play a fun game with boxes

You can dance in our
beautiful ballroom

You can explore
many interesting
boxes and toys
inside the house

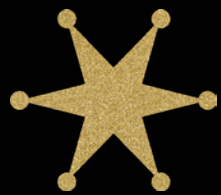

A little butterfly
brings a storm and
we end up in a kooky
upside down world

At last, it's time
to celebrate
before we say
goodbye to the
Wonderbox

We hope that you enjoy the

WONDERBOX

show

NOTES

Wonderbox is a multi-sensory immersive theatre performance created with and for children and young people with disability, and their family and friends. All performances of Wonderbox are relaxed performances, with audiences invited to sit or move around freely within the performance space and adjacent chill-out zone, which features comfortable seating and minimal sound. The performers use multi-modal communication including key signs, natural gesture, visual symbols and minimal verbal language. The show is highly visual with a rich aural environment and many opportunities for individual engagement and interaction through the senses.

This show is fully accessible for those with wheelchairs.
